

- WELCOME TO ELEVEN -

In the heart of Dalt Vila stands this unique Casa Palacio, an exclusive trophy property embedded with rich history, located on a UNESCO World Heritage Site, famously known as XI ("Eleven").

The property has undergone a detailed archaeological survey, revealing the origins of the build, dating back to the 16th century.

Each corner of Eleven tells a story of its past, reflecting the historical richness of Dalt Vila, Ibiza's oldest district.

The property was meticulously restored over a seven year period, striking a perfect balance between historic charm and modern comfort.

This Casa Palacio is spread over 4 floors with a gross internal area of 559 m2 (6,017 sqft). The original features have been intricately restored and reinstated, preserving the full integrity of the building.

Perched on top of this fortified old town, with the scent of bougainvillea and jasmine hanging from the walls, you will find an oversized semicircular stone arch which receives you into a completely unimaginable place.

The combination of natural stone, high ceilings with iroko beams and thick 16th century walls, make this Casa Palacio naturally cool in summer and warm in winter.

The property features four outdoor spaces, each offering a unique experience. From the roof terrace with 360 degree views of Eivissa, Ibiza and Formentera, with the pool area orientated to have maximum sunlight throughout the day.

The Piano Bar has it's own independent entrance from the street, sitting on the remains of a Phoenician building which are accentuated by beautiful light features.

The Casa Palacio boasts six double rooms, and a children's room all with there unique interior design features and fine antiques.

The six bathrooms all have natural sunlight, walk in rain showers and two of them have free standing bathtubs. All bathrooms have double roll top vanity units with natural stone with premium sanitary ware from Duravit.

The kitchen comes fully equipped with high-end appliances from Miele, a Sub-Zero fridge and large wine cooler. The kitchen connects to the indoor dining area, which opens up to the main terrace, where you will find a beautiful outdoor space with a pool, filtered with an ionisation system.

The property features an integrated SONOS sound system, a Daikin comfort cooling system with independent controls, and underfloor heating throughout the property.

The property is secured by CCTV and an alarm system, and also includes a carport for four vehicles with an E.V charging port.

An optional extra is the independent staff service apartment that is adjacent to the main property. (54 m2 / 581 sqft)

- THE AREA -

DALT VILA, the historic heart of Ibiza, is a UNESCO World Heritage site that offers a captivating blend of past and present. This ancient district, whose name translates to "Upper Town," is a maze of narrow, winding cobblestone streets, charming whitewashed houses, and stunning panoramic views that stretch across the island, and out to Formentera.

As the oldest part of Ibiza, Dalt Vila is steeped in culture. Its fortified walls were built in the 16th century to protect the island, within these walls you will find a treasure trove of historical landmarks, including the Cathedral of Santa Maria d'Eivissa, the Castle of Ibiza, and numerous archaeological sites.
